Dear Principal,

Invitation to Open Days and S1 Admission Seminar

HKMA David Li Kwok Po College is a well-established DSS school whose mission is to provide an all-round education for the total development of students, while unleashing their potential and talent. We promote a caring and supportive school culture and a multi-cultural environment where students can develop their language skills and an international outlook. As one of the "Value Adding Schools" in the territory, our students have been able to attain consistently outstanding achievements in both academic and non-academic domains.

Your school is dedicated to nurturing students to become future young leaders. We would like to cordially invite you, your teaching staff, as well as students and parents to attend our Open Days so as to get an idea of the excellent learning environment we have provided for our students. An S1 Admission Seminar will also be held on the second day to introduce to prospective students and parents our school-running principles, facilities and admission requirements. Details of the events are as follows:

I would like to particularly point out that the College believes every child should have an equal opportunity to quality education. As such, the College offers a financial assistance scheme whereby needy families (including those receiving Comprehensive Social Security Assistance or assistance from the Student Financial Assistance Agency) will be granted either full or half-level school fee reduction. This is to ensure that all students, irrespective of their backgrounds, will have the opportunity to receive an all-rounded education and enjoy a happy school life.

Attached please find our College Booklet and a poster of the Open Days for your reference. Should you have any questions, please feel free to call Ms Salina Yuen, the Assistant Principal (Public Relations), on 2626 9100.

Yours faithfully,
